Highlights

For optimal fit in all ears
With a choice of three interchangeable ear caps from size small to large, surely there is a pair that fits your ear perfectly.

Aircraft adapter included
Use your own headphones to listen to in-flight entertainment. The adapter simply converts the standard double-mono jacks to a stereo headphone jack.

Audio jack adapter included
With this adapter, you can use your headphone on equipment with either 3.5 or 6.35 mm jacks, giving you a wider choice of audio devices.

Battery included
No need to buy batteries to get started. Just drop the batteries in and go!

Carry case
This case is the most convenient way to look after your headphones and prevent the cable tangling when not in use.

1.2 metre cable
The ideal cable length to give you the freedom to put your audio device where you want.
